# Citation for the Honorary Degree of Doctor of Education **Joseph Kenyon East**

Joseph Kenyon East was born February 16, 1913, in Lineville, Alabama, the son of Z.R. and Eva East.

Mr. East was educated in the public schools of Barfield, Alabama, and graduated in the class of 1931 from Lineville High School. He earned a Bachelor of Science degree from Berry College in Rome, Georgia, and a Master of Arts degree from Wofford College in Spartanburg, South Carolina. He also has completed graduate work at Columbia University in New York, New York, and at Duke University in Durham, North Carolina.

From 1936 to 1942 Mr. East was a teacher and principal in the Horry County Schools. In 1943 he left the area to become superintendent of public schools in Cottageville and Blacksburg, South Carolina.

Ten years later he returned to the Horry County school system as director of instruction. His vision was to work with local educators and community leaders to establish a college in Horry County. Mr. East became the administrative leader who obtained sponsorship from the College of Charleston, which created Coastal Carolina College in 1954. He also was responsible for establishing the curriculum, recruiting the faculty, and developing a library for student use.

Mr. East was a charter member and first secretary of the Coastal Educational Foundation, Inc. He served in that capacity until 1959 when he was appointed supervisor of audiovisual education for the South Carolina Department of Education.

In 1965 Mr. East became director of adult education in the South Carolina State Department of Education. He retired from that position in 1983.

Mr. East has devoted his career to education, and many of his accomplishments have helped to improve public education opportunities in South Carolina. In 1950 he established the first tax-supported public school kindergarten in the state, 20 years before the South Carolina General Assembly enacted legislation requiring a statewide kindergarten system. In 1954 he was a prime mover in establishing Coastal Carolina College, the first tax-supported junior college in South Carolina. In 1959, as supervisor of audiovisual education for the South Carolina Department of Education, he organized the first statewide library of free films for public schools.

Under Mr. East's leadership, South Carolina's adult education program experienced the greatest growth in its history, and state support of adult education increased more than in any other state in the nation. The number of people enrolled in South Carolina adult education programs increased from fewer than 6,000 to more than 706,000. Mr. East provided leadership for initiating and planning a statewide adult reading campaign for the 1980s. The program served as a model adopted by other states. Because of his experience and success in the field, Mr. East has testified before the United States House and Senate Appropriations Subcommittees on behalf of adult education.

Mr. East has received numerous awards for his service to education including the 1987 American Institute for Public Service Jefferson Award; the Order of the Palmetto, the highest award given by the governor of South Carolina; the 1983 Outstanding State Department of Education Award for unselfish and distinguished leadership; and the 1974 Outstanding Service Award from the National Council of State Directors of Education.

Mr. East is married to the former Leona Strickland; they have four sons. Mr. East is a resident of Columbia, South Carolina.

*For his outstanding contributions as a public school administrator, for his advocacy of adult education, for his resolution and persistence in working to establish Coastal Carolina College, and for his lifelong commitment to improving the human condition, the University of South Carolina, with the approval of its Board of Trustees, now presents Joseph Kenyon East for the honorary degree of Doctor of Education.*

# Citation for the Honorary Degree of Doctor of Business Administration **Buck Mickel**

Buck Mickel was born in Elberton, Georgia, on December 17, 1925, the son of James Clark and Reba Vaughn Mickel.

Mr. Mickel was educated in the public schools of Elberton and Atlanta and was valedictorian of the Elberton High School class of 1942. He earned a Bachelor of Science degree in civil engineering from Georgia Institute of Technology in 1947.

Mr. Mickel served in the military during World War II as a Cadet Midshipman for the U.S. Maritime Academy, and he served a three-year tour of duty during the Korean War as an officer with the U.S. Army Corps of Engineers.

In 1948 Mr. Mickel began his career in construction with Daniel Construction Company (later known as Daniel International Corporation), a general construction firm in Greenville, South Carolina. In 1956 he was appointed assistant to the chairman of the board and in 1958 was elected vice president. In 1960 he was promoted to executive vice president. He became president and general manager in 1965 and chairman of the board in 1974.

In 1977 Mr. Mickel was elected to the board of directors of Fluor Corporation which had acquired Daniel International. During the next decade, he served in various executive positions for Fluor Corporation including president, vice chairman, and chairman of the Engineering and Construction Group. In 1987 Mr. Mickel retired from active management. He remains on the board of directors. Mr. Mickel is a director of Liberty Corporation, Monsanto Company, NationsBank, Emergent Group, Inc., Delta Woodside, Duke Power, RSI, M.O.M., and Textile Hall Corporation. He is also chairman and chief executive officer of RSI Holdings, Inc., a Greenville-based holding and distribution company he helped to restructure in 1978. During his career, he has held directorships with more than 19 companies.

His commitment to economic development in the Southeast has led him to serve on several boards and committees including the Advisory Committee for Trade Negotiation, the Governor's Task Force on the Economy, and chairman of the Southeast/Japan Association.

Mr. Mickel has long been an advocate of education and serves as a trustee for Converse College and The Citadel and as a Life Trustee of Clemson University. He is a member of the advisory boards of the South Carolina Foundation of Independent Colleges and the University of South Carolina Business Partnership Foundation. He is a founding member of the South Carolina Research Authority and the Commission for the Governor's School for Science and Mathematics. He also is a trustee of Brookgreen Gardens.

Mr. Mickel has served as a director of the Greenville and South Carolina chambers of commerce. He has provided boundless assistance with fund-raising for projects such as the Peace Center for the Performing Arts in Greenville. Mickel Auditorium in the center bears his name.

Among the many awards Mr. Mickel has received from universities, government, and professional associations are the Order of the Palmetto, the highest award given by the governor of South Carolina; the South Carolina State Chamber of Commerce Businessman of the Year award in 1983; induction into the South Carolina Business Hall of Fame in 1986; honorary life membership in the University of South Carolina Alumni Association in 1983; and the first Distinguished Trustee Award of the South Carolina Foundation of Independent Colleges in 1990. He received an honorary Doctor of Laws degree from Erskine College in 1975, and Converse College dedicated its library to Mr. Mickel in 1986.

He is married to the former Minor Herndon of Elberton, Georgia. They have three children: Minor Mickel Shaw, Buck Alston Mickel, and Charles Clark Mickel.

*For his dedication to the economic development and growth of South Carolina and the Southeast, for his work in improving the quality of life in the state, for his support of the arts, and for his deep commitment to higher education, the University of South Carolina, with the approval of its Board of Trustees, now presents Buck Mickel for the honorary degree of Doctor of Business Administration.*

# Historical Notes

Higher Education in Horry County had its beginning with the formation of the Coastal Educational Foundation on July 23, 1954. The foundation, an eleemosynary corporation, gave birth to the Horry County Higher Education Commission which was created by statute on April 9, 1959. These two groups established and supported Coastal Carolina Junior College, the forerunner of Coastal Carolina College of the University of South Carolina.

Coastal Carolina College signed its first contract with the University of South Carolina on August 1, 1959, and received its first students with the beginning of the fall semester on September 16, 1960. Coastal Carolina served as a two-year regional campus of the university for the next thirteen years.

By special legislation, Coastal Carolina added a junior year to its educational program with the fall semester of 1973. Subsequently, the senior year followed, and Coastal Carolina became a four-year branch of the University of South Carolina with authority to award baccalaureate degrees.

The college now has more than 4,000 students with 175 full-time faculty. Students may pursue associate and baccalaureate degrees in twenty-nine fields of study, while participating in more than thirty student clubs and organizations.

## The Carolina Mace

The Carolina Mace, designed and fashioned by world-famous English silversmith Leslie Durbin, is the symbol of the university's corporate entity and authority as well as the endeavors of the entire university community. It was created and dedicated in 1967 and is carried in procession on occasions of outstanding importance, such as degree-granting ceremonies or formal dedications. Placing the Mace on its stand is a signal that the proceedings are about to come to order; its retirement indicates that the exercises are concluded.

The Mace, representing the whole of the university, is carried in today's graduation procession by Coastal's senior faculty member, Professor Joyce Parker. Professor Parker has been a member of the Coastal Carolina Department of English for the past twenty-five years.

# Academic Costume and Procession

The custom of wearing a distinctive dress for academic ceremonies goes back to the Middle Ages, when people dressed in keeping with their class: nobility, clergy, or third estate. The faculties of American universities have worn distinguishing costumes from the beginning at Harvard in 1636.

Academic costume is at present worn in the United States by persons taking part in academic ceremonies in general, at commencement exercises, at baccalaureate services, and at various inauguration ceremonies, such as the installation of a president, the conferring of an honorary degree on a distinguished guest, or the laying of the cornerstone of a building.

The institutions awarding degrees, the nature of the degrees, and the major fields of knowledge represented by the degrees can be readily identified by the design and colors used.

The baccalaureate gown is the simplest in design. Usually black, it is distinguished by a wide yoke with shirring in front and back and by open flowing sleeves which end in a point. The baccalaureate gown is worn closed.

The master's gown is similar to the baccalaureate gown except that it has a closed or glove sleeve which is open at the wrist. The master's gown has no other trim and may be worn either open or closed.

The doctoral gown is full flowing and has large bell-shaped sleeves. It is trimmed with velvet panels down the front and has velvet chevrons on the sleeves. While black is still the predominant color for doctoral gowns, the trim may be in a color which denotes the wearer's discipline or the color of the gown may denote the wearer's university.

The color cord worn around the neck denotes membership in one of these honor organizations: Alpha Mu Gamma – gold; Kappa Delta Pi – green/purple; Omicron Delta Kappa – light blue/white/black; Phi Alpha Theta – blue/red; Phi Sigma Tau – purple/white; Psi Chi – gold/blue with gold tassel; Phi Mu Epsilon – purple/yellow-orange; Sigma Tau Delta – red/black.

The greatest degree of symbolism is shown by the hood. The size and shape of the American hood marks the college degree attained by the wearer. The lining of the hood is indicative of the college by which the degree was granted. (If more than one color is used, one color is generally arranged as a chevron upon the other.) For example, University of South Carolina's hoods are lined in garnet and black. The velvet trim of the hood indicates the major field of knowledge. A listing of colors that signify disciplines follows:

Arts, Letters, Humanities - White  
Business, Commerce - Drab  
Education - Light Blue  
Fine Arts - Brown  
Journalism - Crimson  
Laws - Purple  
Library Science - Lemon

Music - Pink  
Nursing - Apricot  
Philosophy - Dark Blue  
Physical Education - Sage Green  
Science - Golden Yellow  
Social Science - Cream  
Theology - Red

Most academic ceremonies begin and end with an academic procession. At USC Coastal Carolina College, the candidates for degrees are first and process in the order in which the degrees will be bestowed, followed by the platform party and deans. The faculty is next and arranged by rank, with the senior professors first.

# ~ May 1992 ~

The following list of May 1992 candidates for graduation was prepared before final grades were reported, and inclusion herein does not constitute evidence of graduation. The listing of a name in this program should not be construed as an indication that the person will, in fact, receive a degree from the University of South Carolina at this commencement. Conversely, the absence of a student's name from this list does not necessarily mean that the person will not be awarded a degree. Honors for degree candidates are based on the cumulative grade point average on file at this time. Honors to be printed on the diplomas will be based on the final cumulative grade point average on all collegiate work.

**"We Hail Thee, Carolina"**  
(Tune: "Flow Gently, Sweet Afton")

We hail thee, Carolina, and sing thy high praise;  
With loyal devotion, rememb'ring the days,  
When proudly we sought thee, thy children to be;  
Here's a health, Carolina, forever to thee!

Since pilgrims of learning, we entered thy walls  
And found dearest comrades in thy classic halls;  
We've honored and loved thee, as sons faithfully;  
Here's a health, Carolina, forever to thee!

Generations of sons have rejoiced to proclaim  
Thy watchword of service, thy beauty and fame  
For ages to come shall their rallying cry be;  
Here's a health, Carolina, forever to thee!

Fair shrine of high honor and truth, thou shalt still  
Blaze forth as a beacon, thy mission fulfill;  
And be crowned by all hearts in a new jubilee;  
Here's a health, Carolina, forever to thee!

— G. A. Wauchope
